PRESIDENTS MESSAGE 2026

Hello everyone,

I cannot believe that it's that time of year again - SHOWTIME!

I would like to welcome you all to the award-winning Mullumbimby Agricultural Show, Byron Shire Council voted our 2025 show as the "Community Initiative of the Year".

To all the committee members, I would like to say that I am so proud of each and every one of you for all the hard work and the dedication that you bring to this show year after year. It is certainly going to be hard to beat last year's record show. Our 2025 Mullumbimby Show broke records in every event.

A huge thank you to all the other volunteers that help out with working bees, manning the BBQ and Bar over show weekend as well as many other jobs.

A huge shoutout to our wonderful and generous sponsors, large or smaller donations, we cannot hold the show without these. We pride ourselves on holding a 3-day action packed show. Friday is free entry with ring events on all day.

On Saturday see the ever-popular Truck Show, Showjumping, Airtime FMX, Trotting, Stage Entertainment, Chainsaw Carving and Woodchops in the new Jack Garrard Memorial Arena. The evening finishes off with a band & fireworks. The theme for this year's main pavilion is "Poultry".

Sunday will have motorbike barrel racing, Trotting, Airtime FMX, Show & Shine, HLS trick riding team along with main stage entertainment all day.

Both days will see oodles of food stalls as well as the ever-popular sideshow alley and we are excited to offer free train rides around the Showgrounds this year.

Therefore, I extend a warm welcome to our show and thank you for your support to one and all - visitors, exhibitors and competitors.

This year's theme is "Poultry", and with this in mind, maybe the cooking will be all about eggs!

Poultry farming in Australia has transformed from small, backyard setups into billion-dollar industries.

Poultry farming involves raising domesticated birds such as chickens, turkeys, ducks, and geese for meat, eggs, and feathers. Key types include broiler farming (meat), layer farming (eggs), and breeder farming (hatchery stock), managed through intensive (caged), semi-intensive, or free-range systems designed to meet consumer demand and self-care standards.

Layer Farming uses hens raised specifically for egg production. They typically begin laying at 18 weeks and can produce 250-300 eggs per year.

Eggs are incredibly versatile, perfect for quick meals like scrambled eggs or more filling options like frittatas or quiches. They are also essential for baking, creating structure, moisture, and rich flavour in cakes and biscuits.

The Mile High Pound Cake can use 10-12 eggs, compared to our Never-fail Sponge Cake recipe by the CWA, which uses 4 eggs. It is widely considered that duck eggs are the secret to the ultimate sponge.

What we are after in the Theme Cake category is a recipe that uses only one egg and a recipe that uses multiple eggs.

Option 1: Bake a cake, biscuits, bread, or cupcake of your choice using just one egg.

Option 2: Bake a sponge cake with your choice of filling (no whipped cream due to the heat and lack of refrigeration).

Class 300 – One Egg Wonder Recipe. A recipe of your choice that uses one egg (you must include the recipe).

Class 301 – Your favourite Sponge Cake recipe with your choice of filling.

Include the recipe so we can see how many eggs you used (please note if you use chicken eggs or duck eggs in your sponge cake).

NOTE – NO CREAM DUE TO NO REFRIGERATION

School Sculpture/Display Competition

This Years Theme: Poultry

Chickens, chicks, hens, chooks, cocks, and roosters – these birds have been domesticated for approximately 8,000 years and are now the most common and widespread domesticated animal in the world.

Chickens are primarily raised for their meat and eggs, but they are also cherished as pets by many.

Poultry production ranges from small backyard coops to large commercial farms, showcasing the diversity of how these animals are kept.

Some of the ideas for your Sculpture / Display are:

- Poultry in Culture and Media
- Fun with Chickens
- Poultry Shows and Breeds

PROUD SPONSOR OF THE MULLUM SHOW

A Century On Stuart Street

Mullum's Butcher has called Mullumbimby's main street home since 1924. When the building at 64 Stuart Street was purpose built as a butcher shop. Over 100 years on, and a change of name to Devine Quality Meats in 1990, it's still a proudly local and independent butcher shop right here in the heart of town.
